## OXEAN Inflatables By AB

ATS Jan17,2023

2022 / 2023

OXEAN Inflatables (by AB) is dedicated to the manufacturing of high quality PVC rigid inflatable boats. OXEAN is committed to exceed customer expectations and provide an international service network. Each OXEAN boat is built with the highest standards worldwide to deliver exceptional value. Our ISO 9001 certification, CE certification and ISO 6185 demonstrate our commitment to deliver the most reliable inflatable boats. Every Aluminum boat is made with marine grade aluminum (5000 series) and well recognized VALMEX PVC tubes from the German Company Melher Technologies.
